

CRBIP AFFECTEES INITIAL CHARTER OF DEMANDS

Endorsed on 1 April 2001 by twenty-two NGO participants at the "Regional Strategy Meeting of Asian NGOs on ADB Advocacy", 30 March-1 April 2001, Crown Peak Hotel, Subic, Philippines (Organized by the NGO Forum on ADB)

- ADB, WAPDA should come up with a framework for participation of the people and the civil society organizations in CRBIP and with system for information sharing and transparency.
- As none of the 4 components of the Project has been completed, inspection Panel on CRBIP should be arranged.
- Proper, affectees-represented valuation of the losses and effective compensation be guaranteed including compensation for crop losses over the period between destruction of traditional system of irrigation through Hill Torrent and restart of irrigation through CRBIP.
- Detailed Environmental Analysis and Environment Management be initiated at the earliest.
- Alternatives to Drain nullahs (the cross drainages) and other unnecessary structures be adopted with the local consultations, their construction be stopped immediately.
- Transparent plan for resettlement of the dislocated villages/communities be announced.
